# Santiva

TRAVEL TOWARD THE SUNSET and discover an often-overlooked little corner of island life in Santiva, where Sanibel ends and Captiva begins. Sanibel's quiet west end is often described as Sanibel "the way it used to be." From leisurely shopping at the Santiva General Store, stop for a cold beer or a casual meal at the original Lazy Flamingo, an island insitution, or enjoy breakfast, lunch, or dinner at the inviting Sunset Grill. You'll find the Santiva style is warm, inviting, and friendly. So follow the road from the center of Sanibel westward and uncover the hidden jewels of the island just before the Blind Pass bridge, in Santiva.
