## Even in 1963, Tony wasn't interested in castles...

**Y**ou remember Tony. He was the kid who repaired the film projector for the teacher. He was the first guy in math class to have his own electronic calculator and he even liked science!

Today Tony has taken his years of education, knowledge of computers, and a dedicated interest in new technologies to become one of S.W. Florida's most respected computer

consultants and analysts. From integrated business computer systems to personal home computers, Tony provides timely on-site service for all of your PC needs.

Whether you're a large or small business owner, a family or individual needing help with their home computer, Tony wants to be your "computer guy".

Give **Custom Computers** a call and ask for Tony Valotta, the owner, the next time you have ANY computer questions. If Tony's not in the office, he's always available through his automated sand-sculpted paging system.

### AN OASIS OF LUXURIOUS LIVING, WITH NATURE

Solenzara is an intimate enclave of twelve exemplary residences, offering an oasis for luxury living set amidst some of Southwest Florida's most spectacular natural beauty. With the introduction of Solenzara, a new standard for luxury living on the west end of Bonita Beach has arrived. Incomparable vistas of the Gulf of Mexico, back bays and Big Hickory Pass, viewed through expanses of glass, bathe every residence in an abundance of light.

The film version of *Chicago* hit theaters nationwide in January, but there's nothing like the live show.
